Unicorn Theatre wants to hear about your “Favourite Things”

With its recent highly successful production of “Oliver!” under its belt, the Unicorn Theatre is now turning its attention to planning the celebrations for its 15th Anniversary Festival, to be held July 17-24 at the Bay Community Centre, and perhaps at other locations around the Bay.

One of the events in the planning stages is a huge 15th Anniversary Gala, with the theme “My Favourite Things”. The directors of the Gala are asking Unicorn members past and present, as well as members of the general public who faithfully attend every production, to send in an e-mail about their favourite Unicorn show, song, or scene, describing why it is their favourite. From these submissions, the directors will put together a wonderful Gala show. The organizers of the Festival are also interested in favourite props or costumes – these will be on display at the Bay Community Centre during Festival Week.

If you would like to submit a “Favourite Thing”, please e-mail lauraeamon@gmail.com or info@unicorntheatre.ca. For information about anything to do with the Unicorn Theatre's 15th Anniversary Festival, please e-mail Rick Ratcliffe at dratcliffe@eastlink.ca.
